

# CV

**PD Dr.  
Jürgen Stolz**

<b>Date of birth</b>	21. Nov. 1966
<b>Study of Biology</b> Regensburg University	1987-1993
<b>Diploma (Dipl.-Biol.)</b> Title of thesis: Genetic modification and purification of plant sugar transporters with Prof. Dr. Widmar Tanner and Prof. Dr. Norbert Sauer	1993
<b>PhD-Student</b> Regensburg University and Friedrich-Alexander-University Erlangen-Nürnberg with Prof. Dr. Widmar Tanner and Prof. Dr. Norbert Sauer	1993-1997
<b>Dr. rer. nat.</b> Title of dissertation: Purification and reconstitution of plant sugar transport proteins	1997
<b>Postdoctoral Scientist</b> Friedrich-Alexander-University Erlangen-Nürnberg Molecular Plant Physiology with Prof. Dr. Norbert Sauer	1997-1999
<b>Postdoctoral Scientist</b> MRC Lab of Molecular Biology, Cambridge, UK Cell Biology Division with Sean Munro, PhD	1999-2001
<b>Bayerischer Habilitationsförderpreis</b>	2000
<b>Scientific Assistant and Group Leader</b> Plant Physiology and Cell Biology Regensburg University	2001-2007
<b>Habilitation</b> Privatdozent (PD) at Regensburg University Teaching permission for Botany and Cell Biology	2005
<b>Scientific Assistant and Group Leader</b> Nutritional Physiology TUM Freising-Weihenstephan	2007-
